

By submitting your CV and selecting "I Accept" in the field below you authorize Chubb Services UK Limited & Chubb European Group Limited, both Chubb companies to retain your information for tracking and future consideration.

Unless we receive a written objection from you, by submitting your CV and personal details you authorise Chubb Services UK Limited & Chubb European Group Limited to retain your personal information for the purpose of tracking your job application and for future consideration. Thus you may be contacted in the future for a job opportunity within Chubb. Personal information that we collect is used by those managers and HR staff directly involved in the recruitment process at Chubb and will not be transferred to any other organisation. Should you be successful in securing temporary or permanent employment, the information you provide will be transferred electronically to your employee file. You can access, modify and/or delete your personal information by logging into your personal profile on our website at any time.
